

Costed evaluation plan – Angola – UNICEF country programme of cooperation, 2024–2028

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation are outlined in the revised Evaluation Policy ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2018–2021 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
1. Health Formative evaluation of UNICEF support to the immunization programme in addressing situation of zero-dose and under-vaccinated children in Angola	Outcome 1 (People)	Goal Area 1	Potential programme for replication or scale-up	The formative evaluation will explore the extent to which the innovative approaches taken to identify and reach zero-dose and under-vaccinated children have contributed to the improved immunization coverage among children in urban and peri-urban areas of Angola. Relevant experience and lessons learned will inform UNICEF future programming and provide key recommendations to the Government to strengthen routine immunization.	2024	50 000 (RR) 50 000 (OR) 100 000 (Total)
2. Social policy and social protection Country-led evaluation on the Cash Transfer Programme (<i>Kwenda Programme</i>) in Angola	Outcome 1 (People)	Goal Area 5	Country-led evaluation for scaling up	Country-led cash transfer programme (<i>Kwenda Programme</i>) was launched in 2019, and inspired by a UNICEF-led Cash Transfer pilot. A country-led evaluation, with support from UNICEF and the World Bank, will be highly relevant to assess the performance of the <i>Kwenda Programme</i> , in particular the efficiency, effectiveness and sustainability of the programme. The evaluation will take stock of changes	2024	50 000 (RR) 0 (OR) 50 000 (Total)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2018–2021 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
				in the programming context, especially considering the COVID-19 pandemic and its impact on the livelihood of vulnerable populations, and provide valuable lessons to inform future improvement of any cash transfer programme.		
3. Nutrition Summative evaluation of revitalized Baby Friendly Hospital Initiative (BFHI) in Angola	Outcome 1 (People)	Goal Area 1	Potential programme for replication or scale-up	The evaluation will examine the relevance, effectiveness and sustainability of the revitalized BFHI to inform UNICEF programming in this thematic area, and support the Government’s evidence-based decision-making in potentially scaling up the BFHI to benefit more children.	2025	50 000 (RR) 50 000 (OR) 100 000 (Total)
4. Education Evaluation of the Teaching at Right Level programme for developing foundational literacy and numeracy skills of children in Angola	Outcome 1 (People)	Goal Area 2	Potential programme for replication or scale-up	The evaluation will inform strategic reflection on the role of UNICEF in supporting national and local governments in planning and implementing the Teaching at Right Level programme, and assess results achieved from the programme. The findings will be critical to advocate for the Government to scale up the programme for the Angola context.	2026	50 000 (RR) 50 000 (OR) 100 000 (Total)
5. Cross-cutting Summative evaluation of the Girls’ Empowerment and Learning for All	Outcome 1 (People)	Goal Areas 1–4	Cross-cutting	The evaluation will look at the relevance, effectiveness, efficiency and sustainability of this important cross-cutting programme, to examine the	2026	120 000 (RR) 0 (OR) 120 000 (Total)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2018–2021 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
Project Phase-II (PAT II)				coordination and complementarity across sectoral interventions and platforms. The findings will be critical for learning and future integrated programming for girls' empowerment and learning, and for informing the Government's efforts in advancing gender equality.		
6. Country programme evaluation (CPE) Country programme evaluation of the Government of Angola and UNICEF country programme of cooperation 2024–2028	All outcomes	All Goal Areas	Strategic positioning	The CPE will assess the relevance, coherence, effectiveness, efficiency and sustainability of the Angola country programme (2024–2028), with a particular emphasis placed on evaluating the extent to which the UNICEF Angola strategic shift to upstreaming work is fit for purpose, including an assessment of its organization and staffing structures. The lessons learned, good practices and innovations documented, along with the actionable recommendations, will inform the design of the new country programme and feed into the development of the new United Nations Sustainable Development Cooperation Framework.	2027	150 000 (RR) 0 (OR) 150 000 (Total)
