

Costed evaluation plan – El Salvador – UNICEF country programme of cooperation, 2022–2026

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised evaluation policy of UNICEF ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025, Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
1. Formative evaluation of the reintegration programmes for child returnees and families	3. By 2026, Salvadoran institutions ensure coverage and quality of care, specialized comprehensive protection, (re)integration and economic inclusion of migrants, returnees, people in transit or forcibly displaced persons, as well as their families.	3. Every child, including adolescents, is protected from violence, exploitation, abuse, neglect and harmful practices.	UNICEF has supported the Government in developing and implementing specialized programmes and services for the (re)integration of migrant, returnee and displaced children in their communities of origin. This will be a formative evaluation to assess programme relevance, efficacy, efficiency and sustainability and to identify good practices and lessons learned to scale up services based on evidence. Evaluation of interventions	The Government and civil society will use the evaluation findings to scale up a comprehensive reintegration model for migrant, returnee and displaced children affected by violence.	2022	60 000 (RR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025, Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
			that are to be replicated or scaled up.			
2. Evaluation of the gender-based violence prevention and transformative leadership programme in schools	2. By 2026, personal persons, especially those in the most vulnerable conditions owing to gender inequalities, increase their participation and inclusion in the political, social and economic spheres and fully exercise their right to a life free from violence and discrimination.	2. Every child, including adolescents, is protected from violence, exploitation, abuse, neglect and harmful practices.	UNICEF will conduct an independent, external evaluation of the gender-based violence prevention and transformative leadership programme in schools to assess the achievement of results and the impact on communities. Evaluation of an intervention that is to be replicated or scaled up	Evaluation findings will be used to scale up the gender-based violence prevention and transformative leadership programme in schools.	2024	60 000 (OR)
3. Evaluation of the accelerated modalities of education programme offered by the Ministry of Education	1. By 2026, all persons, especially those in the most vulnerable conditions who face exclusion, have equitable access to education, health, social services and comprehensive social protection systems, which will contribute to the reduction of multidimensional poverty and inequality gaps in all their forms.	2. Every child, including adolescents, learns and acquires skills for the future.	The effectiveness of the flexible modality of accelerated basic education will be evaluated by measuring educational practices and materials and student learning. Joint evaluation managed with	Evaluation findings will be used to inform decision-making and improve the quality and relevance of the flexible modalities of education.	2023	70 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025, Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
			the Ministry of Education.			
4. Evaluation of the UNICEF country programme, 2022–2026	All 7 outcomes	All 5 Goal Areas	<p>UNICEF will conduct an independent, external evaluation of the country programme, 2022–2026, to assess the achievement of results and contributions to national priorities in development and humanitarian contexts.</p> <p>The 2016–2021 country programme was not evaluated. In order to meet the evaluation policy coverage norms, the new one should be evaluated.</p>	Evaluation findings will inform decision-making and the strategic positioning of UNICEF in El Salvador in the medium and long term. It will enhance UNICEF accountability to the Government, strategic partners, and donors. It will draw lessons learned from the COVID-19 response and other emergencies and guide future preparedness activities for humanitarian action.	2025	90 000 (RR)
Total resources						150 000 (RR) 130 000 (OR) 280 000 (Total)
