

Costed evaluation plan – Jordan – UNICEF country programme of cooperation, 2023–2027

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation is outlined in the revised evaluation policy of UNICEF ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
Country programme 2023–2027 evaluation for UNICEF Jordan	<p>Outcome 1: Enhanced inclusive, gender-responsive and green growth in Jordan that provides access to entrepreneurship and decent work opportunities, life-long learning, and market-relevant skills with a focus on LNOB [leaving no one behind].</p> <p>Outcome 2: Enhanced access to quality social services, protection, and self-reliance opportunities for all people living in vulnerable situations in the country.</p> <p>Outcome 3: Enhanced national resource management models that ensure equitable access to water, food, and clean energy for all, address climate related and other risks, and empower local communities as agents of change for responsible production and consumption.</p> <p>Outcome 4: Enhanced accountability and</p>	<p>Goal Area 1: Every child, including adolescents, survives and thrives, with access to nutritious diets, quality primary health care, nurturing practices and essential supplies.</p> <p>Goal Area 2: Every child, including adolescents, learns and acquires skills for the future</p> <p>Goal Area 3: Every child, including adolescents, is protected from violence and exploitation, abuse, neglect and harmful practices</p> <p>Goal Area 4: Every child, including adolescents, has</p>	Cross-cutting and organizational effectiveness evaluations that will inform the next country programme after 2027.	This evaluation will inform the formulation of the subsequent country programme for UNICEF Jordan.	2026	200 000 (RR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
	responsiveness of Jordanian institutions and their partners, and especially women and youth are increasingly and meaningfully involved in policy choices and decisions that affect their lives.	access to safe and equitable water, sanitation and hygiene services and supplies, and lives in a safe and sustainable climate and environment Goal Area 5: Every child, including adolescents, has access to inclusive social protection and lives free from poverty				
Summative evaluation of UNICEF Jordan humanitarian response 2018–2022	Outcomes 1–4	Goal Areas 1–5	Cross-cutting and organizational effectiveness evaluations that will inform the country programme, 2023–2027.	This evaluation will cover all aspects of the UNICEF response to humanitarian issues in Jordan and will inform and shape the response for the new country programme with changes expected based on the evaluation to come into effect in 2024.	2023	200 000 (OR)
Formative evaluation of UNICEF Jordan humanitarian	Outcomes 1–4	Goal Area 1–5	Cross-cutting and organizational effectiveness evaluations that will inform the country	This evaluation will cover all aspects of the UNICEF response to humanitarian issues in Jordan and will inform and shape the response	2026	200 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
response 2023–25			programme, 2023–2027.	for the new country programme with changes expected based on the evaluation to come into effect in 2024.		
Evaluation of water, sanitation and hygiene interventions to enhance climate action and social cohesion	Outcome 3	Goal Area 4	Programme replication or scale-up	This evaluation will reflect on UNICEF support to vulnerable communities and institutions, to strengthen resilience to the impacts of climate change and water insecurity and contribute to social cohesion through improved WASH-related services.	2027	100 000 (OR)
Evaluation of climate action programming and cross-sectoral action by UNICEF Jordan	Outcome 3	Goal Area 4	Programme replication or scale-up Responding to major humanitarian emergencies	The evaluation will focus on how climate action has been implemented across sectors in the UNICEF Jordan Country Office within the first half of country programme to identify good practices and lessons learned to further strengthen intersectoral collaboration and push the climate agenda forward.	2025	100 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
Evaluation of UNICEF Jordan child protection programme	Outcome 2	Goal Area 3	Programme replication or scale-up Long periods of unevaluated programme implementation	Evaluation will assess the impact of UNICEF-supported child protection under the country programme 2023–2027, to inform the child protection programme and UNICEF transition into next country programme.	2025	200 000 (OR)
Evaluation of community-based child protection and prevention programme	Outcome 2	Goal Area 3	Programme replication or scale-up Long periods of unevaluated programme implementation	Evaluation will inform the effectiveness and efficiency of the community-based protection and prevention strategy, including its focus on better parenting.	2027	200 000 (OR)
Evaluation of the UNICEF Jordan health and nutrition programme with a focus on primary health care interventions in select areas of the country	Outcome 2	Goal Area 1	Programme replication or scale-up Long periods of unevaluated Programme implementation	Evaluation will assess the effectiveness, efficiency and impact of the health and nutrition programme and inform the future programming direction.	2026	200 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
Impact evaluation of the Makani programme	Outcome 1	Goal Area 5	Programme replication or scale-up	Evaluation will inform enhancement of the overall design of the Makani ('My Space') programme, in line with needs of children and youth in Jordan. It will also help UNICEF Jordan to make the programme more self-sustainable and better linked to national social protection systems.	2026	200 000 (OR)
Evaluation of the national aid fund's Takaful programme	Outcome 1	Goal Area 5	Programme replication or scale-up	This evaluation is intended to inform the process of improving the operational design of the programme and to identify opportunities to enhance its additional components of linking services for persons receiving the National Aid Fund, a social protection grant to the most vulnerable Jordanians.	2025	300 000 (OR)
Evaluation of National Social Protection Strategy, 2019–2025	Outcome 1	Goal Area 5	Programme replication or scale-up Long periods of unevaluated programme implementation	The findings will be used to improve and enhance update of National Social Protection Strategy, 2026–2031.	2024	250 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
Impact evaluation of the Hajati programme	Outcome 1	Goal Area 2	Programme replication or scale-up Long periods of unevaluated programme implementation	To document the impact of the Hajati programme and practical lessons learned during its implementation, and to share strategic and forward-looking observations to improve its programme design.	2024	250 000 (OR)
UNICEF Jordan impact on recovery and acceleration of learning programme	Outcome 1	Goal Area 2	Programme replication or scale-up Long periods of unevaluated programme implementation	To inform the design of a learning recovery programme for the next country programme.	2027	200 000 (OR)
Evaluation of Nahno, the Jordan national youth engagement and volunteering programme	Outcome 1	Goal Area 2	Programme replication or scale-up	Findings from this baseline formative evaluation will be used for future planning to scale up and to institutionalize the programme. The evaluation will also help in generating lessons for institutionalization within the Government and replication of the programme in other countries.	2023	200 000 (OR)
Evaluation of the social innovation programme	Outcome 1	Goal Area 2	Long periods of unevaluated programme implementation	This cross-cutting and organizational effectiveness evaluation will focus on various youth social innovation and UPSHIFT initiatives supported by the UNICEF Jordan	2024	175 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2022–2025 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (Regular resources (RR) or other resources (OR)), in United States dollars</i>
				adolescent and youth section. The findings will be used to improve the overall design of the social innovation programme and inform the way forward during the 2023–2027 country programme period.		
Evaluation of the digital skills programme	Outcome 1	Goal Area 2	Programme replication or scale-up	The evaluation findings will inform programming of a graduation strategy, with a special focus on integrating digital skills into the national framework of graduation, in collaboration with the Ministry of Social Development.	2023	150 000 (OR)
Technical and vocational education and training/graduation programme evaluation	Outcome 1	Goal Area 2	Long periods of unevaluated programme implementation	The findings of the evaluation will provide evidence on programme relevance, especially factors relating to return on investment, gender and female labour force participation.	2023	150 000 (OR)
Total resources						200 000 (RR) 3 075 000 (OR) 3 275 000 (Total)^a

^a There will be an additional cost of \$1,207,585 for evaluation staff (one staff member at the P4 level for five years).
