

U.S. Remarks
UNICEF Executive Board Annual Session
June 14-17, 2022

Item 11 – Private Fundraising and Partnerships

- The U.S. appreciates the detailed report and notes the positive trend in private fundraising described in the presentation.
- The U.S. also notes UNICEF’s success in further developing digital channels for fundraising and encourage a continued focus in this area.
- We also note the initial positive results from the World Bank instrument. Based on this success, does UNICEF expect to seek out other opportunities for expansion of this type of financing?
- Was a there a rise in revenue generated in December 2021 after UNICEF’s Global Forum for Children and Youth event,
- The U.S. notes the reduction in the proportionate share of core regular resources generated from private sector fundraising. Could you share with the Board UNICEF’s strategy for reversing this decline?
