	Delegation's comments	Response(s)
General comments	We thank for the good quality draft CPD. We appreciate the consultative process that engaged a wide range of stakeholders.	UNICEF sincerely appreciates this feedback. As observed by Finland, the CPD was well informed by thorough evidence-based consultation with Government, development partners, the United Nations system, civil society, children and young people. Under the overarching UNSDCF, the process was invaluable and resulted in a quality CP instrument to guide our framework of cooperation with the GRZ over the next five years.
