

Costed evaluation plan – Paraguay – UNICEF country programme of cooperation, March 2020 – December 2024

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation are outlined in the revised Evaluation Policy ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan, 2018–2021 Goal Area</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR), or other resources (OR)) in United States dollars</i>
1. Evaluation of the implementation of the National Plan for Comprehensive Early Childhood Development (will include district-level implementation of the Care for Child Development (CCD) package as part of the global UNICEF initiative)	People By 2024, people who live and transit in Paraguay, especially those in vulnerable situations, have a national system of social protection and care with equitable access to quality and comprehensive services.	1. Every child survives and thrives 2. Every child learns 3. Every child is protected from violence and exploitation	Implementation of the National Plan was completed in 2018. Its evaluation has been requested by the Government and is one of the strategic themes of the new country programme.	Evaluate progress and generate strategic, political and technical inputs for the development of the new early childhood plan and a future policy, as well as the integration of the elements of the CCD package into scaled-up interventions.	2020	100 000
2. Midterm evaluation of the implementation of the National Plan to End Violence Against Children (End Violence), with an emphasis on the evaluation of the initiative to promote parenting guidelines implemented in two of the country's municipalities	Peace By 2024, the State improves access to justice and multidimensional security, compliance with frameworks and agreements signed on human rights, equality and non-discrimination as well as other environmental and climate change commitments.	1. Every child survives and thrives 2. Every child learns 3. Every child is protected from violence and exploitation 5. Every child has an equitable chance in life	Monitor the country's efforts for prevention, care and the restitution of rights through the National Plan. Strategic theme at the regional level. Scaled-up promotion of parenting guidelines will be a key theme of the new country programme.	Midterm evaluation to assess the progress and limitations in the implementation of the Plan and to generate technical and institutional-level recommendations for amendments and improvements for scaled-up implementation of initiatives focused on promoting parenting guidelines.	2022	60 000
3. Midterm evaluation of the National Policy for Children and Adolescents 2014–2024	People By 2024, people who live in and transit through Paraguay, especially those in vulnerable situations, have a national system of social protection and care with	1. Every child survives and thrives 2. Every child learns	National policy designed for the current cooperation period. The Ministry of Childhood and Adolescence has	Generate the necessary technical and programmatic inputs for improvements to the implementation of the current policy; and use of the evaluation results to	2023	100 000
