Management Accountability Framework

- UNICEF actively engaged in United Nations Sustainable Development Group **negotiations on the new MAF**
- **Close consultation with other United Nations agencies** to ensure alignment and coherence
- Shared its **perspective and feedback**
- Ensuring **full support** to new generation of **resident coordinators, RC offices** and **United Nations country teams**

Realignment of United Nations Regional Assets

- UNICEF engaged in all regional collaborative platforms and peer support groups, 30 issue-based coalitions.
- UNICEF supports the roll-out of common back offices and joint Business Operations Strategies across all regions.
- UNICEF provides support to knowledge management hubs, regional capacities in data, analytics, statistics and results-based management.

Delivering results in a new United Nations development system

- **Global agreements and initiatives with United Nations agencies** in health, protection, WASH, social policy, gender, mental health, financing for development and youth engagement.
- Engagement across five pillars of the United Nations development system **UN framework for the immediate socio-economic response to COVID-19**; social protection co-lead with WFP.
- Engagement with WHO and others in the **ACT-Accelerator** - almost 72 million COVID-19 vaccines shipped to 126 countries through COVAX.
- Nominating staff to the **RC talent pipeline**, setting internal targets and plans.
- Reinforcing a **reform-oriented organizational culture** through internal communication, performance management and support to learning.

Thank you.
