Moving forward in 2022

Change for children

In 2022 UNICEF will focus on ensuring that the changes have the desired effect in areas where they matter the most.

Accountability

UNICEF remains committed to implementing the changes that are needed for transformed humanitarian action.

Partnership

UNICEF, together with its partners, will focus on key areas of change for greater impact; humanitarian leadership, skill building, preparedness and technical capacity.

Resources

Drive for \$24 million of additional funding over 4 years for investment in these key recommendation areas.

Thank you.
