

# JOIN U-REPORT SOUTH AFRICA AND MAKE YOUR VOICE COUNT!

Check out the U-Report website: <https://sa.ureport.in/>

U-Report is a free virtual platform where young people like you speak out and are heard – on issues they care about.

## U-Report gives you access to:

**Regular polls on issues that matter – from mental health to climate change, sexual health to discrimination.** Your feedback helps UNICEF and the government understand what's needed to improve the lives of young people.

### U-Report bots

Access to life-saving information in an emergency like floods or disease outbreaks, and much more:

- Cholera
- Teenage pregnancy
- Corporal punishment
- Vaccinations
- Mental health
- Violence

Through U-Report you can also:

**Mobilise** and join other young people to drive change in your local community.

**Attend special events and live chats.** Report a problem or get confidential one-on-one advice and counselling.
