

Costed evaluation plan – Madagascar – UNICEF country programme of cooperation, October 2021–December 2023

The table draws from the Integrated Monitoring and Evaluation Plan to cover present evaluations planned for the duration of the programme cycle. Additional guidance on financial resources for evaluation are outlined in the revised evaluation policy of UNICEF ([E/ICEF/2018/14](#)).

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan Goal Area</i> <i>UNICEF country programme 2021–2023 outcomes</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
1. Country-led formative evaluation of the joint integrated social protection programme in the south of Madagascar	Inclusive, equitable and resilient development Outcome 2	Goal Area 5 Outcomes 1 (health), 4 (education), 5 (child protection) and 6 (social policy)	Programming excellence Potential programme for replication or scale-up Country-led evaluation of SDG Fund joint programme	The evaluation findings will be used to adapt and improve the Integrated Social Protection Programme pilot. Lessons learned, good practices and innovations will be used to inform the replication or scale-up of social protection services in other districts in Madagascar.	December 2020	365 000 (OR)
2. Evaluation of the national catch-up class programme for out-of-school children in Madagascar	Inclusive, equitable and resilient development Outcome 2	Goal Area 2 Outcome 4 (education)	Programming excellence Potential programme for replication or scale-up Thematic area due for evaluation	The evaluation will assess the performance of the new catch-up class model in Madagascar. Lessons learned, good practices and innovations will be used to inform the development of strategies to scale up catch-up classes in the country and inform the new Education Sector Plan.	March 2021	80 000 (OR)
3. Impact evaluation of the joint programme to eliminate child labour in mica-producing communities	Inclusive, equitable and resilient development Outcome 2	Goal Area 3 Goal Area 5 Outcomes 5 (child protection) and 6 (social policy)	Programming excellence Potential programme for replication or scale-up	The evaluation finding will be used to identify hard evidence on what works to reduce child labour. Lessons learned, good practices and innovations	July 2021	400 000 (OR)

<i>Evaluation title</i>	<i>United Nations Sustainable Development Cooperation Framework (or equivalent) outcome</i>	<i>UNICEF Strategic Plan Goal Area</i> <i>UNICEF country programme 2021–2023 outcomes</i>	<i>Criteria used for selection</i>	<i>Intended use of evaluation findings</i>	<i>Expected start date (month and year, or year only)</i>	<i>Anticipated cost and provisional source of funding (regular resources (RR) or other resources (OR)), in United States dollars</i>
				will be used to inform programme replication and advocacy.		
4. Formative evaluation of UNICEF-supported child protection programme in Madagascar	Inclusive, equitable and resilient development Outcomes 1 and 2	Goal Area 3 Outcome 5 (child protection)	Programming excellence Thematic area due for evaluation	Considering the weak financing of the child protection sector in Madagascar as well as the variability of contexts in intervention zones, the evaluation will enhance the understanding of the effectiveness (quality), efficiency and sustainability of child protection interventions and reinforce programming excellence.	January 2022	80 000 (RR)
5. Impact evaluation of the UNICEF model on full nutrition package in Madagascar	Inclusive, equitable and resilient development Outcome 2	Goal Area Outcome 3 (nutrition)	Programming excellence Potential programme for replication or scale-up Thematic area due for evaluation	The evaluation will measure the impact, in one region, of the UNICEF nutrition model that provides a full package of interventions. The evaluation findings will be used to advocate for the promotion of holistic nutrition programming with the Government as well as with technical and financial partners.	January 2023	200 000 (OR)
Total resources						80 000 (RR) 1 045 000 (OR) 1 125 000 (Total)
